

TERMS OF ENGAGEMENT FOR A VALUATION REPORT

- 1 IDENTITY AND STATUS OF THE VALUER Raymond & Pierre Limited is regulated by RICS (#019557) for the provision of surveying services. This means we agree to uphold the RICS Rules of Conduct for Firms and all other applicable mandatory professional practice requirements of RICS, which can be found at rics.org. As an RICS regulated firm we have committed to cooperating with RICS in ensuring compliance with its standards. The firm's nominated RICS Responsible Principal is Mr. Afra Raymond, Managing Director 623-4945.
- Registered Valuers:
Afra Raymond FRICS #0092771; Ian Brathwaite MRICS #0093969; Neil ROMANY MRICS #1128849; Abraham DERRY MRICS #5863471
- 2 VALUER'S STATEMENT We will act as an independent external valuer and have sufficient skills, understanding and current local knowledge of the particular market to undertake this valuation competently, objectively and without bias.
- 3 VALUATION DATE This is the date on which the opinion of value applies. It is the date of inspection/date specified by the client;
- 4 BASES OF VALUE
- Market Value: the estimated amount for which an asset or liability should exchange on the valuation date between a willing buyer and a willing seller in an arm's length transaction after proper marketing and where the parties had each acted knowledgeably, prudently and without compulsion;
- Market Rent: The estimated amount for which an interest in real property should be leased on the valuation date between a willing lessor and a willing lessee on appropriate lease terms in an arm's length transaction, after property marketing and where the parties had each acted knowledgeably, prudently and without compulsion;
- 5 ASSUMPTIONS
- (a) Good and marketable title;
 - (b) Vacant possession is available (this would be a special assumption if the property is occupied);
 - (c) Planning permission and statutory requirements for the existing building, extensions or alterations and use have been granted;
 - (d) There are no deleterious or hazardous materials;
 - (e) There is no contamination;
 - (f) There are no unusual or onerous outgoing and restrictive covenants;
 - (g) There are no encumbrances or encroachments;
 - (h) All parts of the property which are covered, unexposed or inaccessible are in satisfactory repair and condition and an inspection of those parts which have not been inspected, or a survey inspection carried out would not reveal material defects or cause the valuer to alter the valuation materially;
 - (i) There are rights to use the communal amenities, utilities, infrastructure and facilities;
 - (j) No account has been taken of an additional bid by a prospective purchaser with a special interest;
 - (k) All information, data, title documents and plans provided and which were relied upon are true and correct;
 - (l) There are no outstanding taxes, rates or charges associated with the property;

- (m) The services and any associated controls or software are in working order or free from defect;
- (n) Where the property is part of a building/development (e.g. townhouses and apartment):
 - There are no breaches of the lessee's covenants to warrant a determination of the lease;
 - There is a properly formed and operated management company;
 - The cost of repairs and maintenance to the building and grounds are shared equitably;
 - The leases of all the properties in the building/development are materially the same and there are suitable, enforceable covenants between all leaseholders; and
 - There are no substantial defects, or other matters requiring expenditure (in excess of the current amount or assumed amount of service charge payable on an annual basis), expected to result in charges to the leaseholder;
- (o) Where the subject property forms part of a mixed residential/commercial building/development, there will be no significant changes in the existing pattern of use;

6 SPECIAL ASSUMPTIONS

- (a) The proposed building or work will be completed in accordance with the plans and specifications supplied;
- (b) Planning permissions and statutory requirements have been, or will be granted for the proposed building or work;
- (c) The buildings and site improvements erected on the site are demolished and the site cleared of any remains;

Note: Other applicable special assumptions may be required and if so, must be agreed to in writing prior to completion of the Report.

7 EXTENT OF INVESTIGATION

- (a) A visual inspection of the property which is visible at the various floor levels will be carried out and not a structural survey;
- (b) Any covered, unexposed or inaccessible parts will not be inspected and services will not be tested;
- (c) A land survey will not be undertaken. Therefore, we cannot determine the legal boundaries and size of the site;
- (d) A soil survey into the type and stability of the soil will not be undertaken;
- (e) The basis of our measurement of buildings would be in accordance with the International Property Measurement Standards (IPMS) and the RICS Property Measurement 2nd Edition, January 2018;
- (f) No investigation will be undertaken with the land registry, regional corporations, public utilities, town planning department or any other statutory body in preparation of this report;

8 SOURCES OF INFORMATION

We require a copy of the title document, sale agreement, leases, building plans, quantity surveyor's report, builders' estimate, statutory approvals, cadastral survey plan, licences, any recent transaction and information on all parties with interest in the property; (in the case of commercial buildings: a statement of outgoing). The Client further agrees that in no event will the Company's directors, officers, or employees be liable for any damages arising out of or related to this Agreement. The Clients have confirmed that they have sought their own legal advice as regards this provision and they are satisfied that this provision is fair and reasonable;

23 COMPLAINTS
HANDLING
PROCEDURE (CHP)

The Complaints Review Period: In the event of a dispute arising out of or related to this Agreement, the Client must complete and submit the Complaints Form, a copy of which can be provided upon request. Alternatively, the Form can be completed online at <http://raymondandpierre.com/contactus.htm>. Henceforth, the complaint will receive the attention of a Director who will respond within five (5) working days.

If the issue is not resolved via the Complaints Review Period, either of the parties to this Agreement shall submit the dispute to non-binding mediation using the services provided by the Trinidad and Tobago Dispute Resolution Centre ('the DRC') and shall make a good-faith effort to resolve the dispute through the mediation process in accordance with the rules of the DRC. Each party shall bear its own costs in respect of the mediation.

In the event the parties are unable to resolve their dispute through mediation after 14 days from the reference to mediation or such further period as the parties may mutually agree in writing, such dispute shall be settled exclusively and finally by binding arbitration by an arbitrator to be jointly appointed by the parties.

In the event either Party fails to agree to the appointment of an arbitrator such arbitrator shall be appointed, upon application by the interested party, by the DRC.

The award of the arbitrator shall be final and shall not be subject to any appeal or challenge whatsoever. The arbitrator will not be required to file his award with any body or authority whatsoever. In the event arbitration proceedings are initiated under this arbitration clause, pending such proceedings and until a final award is rendered pursuant thereto, any subsequent controversy arising between the Parties shall be exclusively submitted for final decision by the arbitrator in the arbitration proceedings already pending.

The arbitration proceedings shall be conducted in accordance with the Arbitration Act Chapter 5:01 of the laws of Trinidad and Tobago or any statutory modification thereof.
